Tariff Finder Overview

Complimentary online database for Singapore based companies

More than 122 destinations for Import Formalities, and more than 150 destinations for Tariffs.

Continuously updated

Covers Nomenclatures, Tariffs and Taxes, Rules of Origin, and Import Formalities

Launched since 2017, the Tariff Finder was enhanced in 2019 with new features to improve user experience.

1. "Reports" section to save and store search results in PDF on the Tariff Finder portal
2. "Updates" section with a listing of all updates either by date or by country
3. "Profile" page to update or change registered particulars

The screenshot shows the Tariff Finder homepage. The navigation menu at the top includes 'Query', 'Reports', 'Updates', 'Profile', and a user profile 'Tricia'. The 'Reports' menu item is highlighted with a red dashed box. Below the navigation is the 'TARIFF FINDER' logo, powered by MendelOnline. A description states: 'The Tariff Finder is a foreign trade application which provides and links extensive information on global tariff and non-tariff measures.' There are four main sections: 'NOMENCLATURES', 'TARIFFS AND TAXES', 'RULES OF ORIGIN', and 'IMPORT/EXPORT FORMALITIES'. A search form is present with fields for 'Origin' (country), 'Destination' (country), and 'Product code', along with 'Find' and 'Search' buttons. Below the search form is a 'Recent updates' section with a list of updates from September 2019, including entries for Venezuela, South Africa, Bangladesh, Belize, Lebanon, Guinea, Ecuador, Jamaica, and Brazil.

The screenshot shows the 'Reports' section of the Tariff Finder. The 'Reports' menu item in the top navigation is highlighted with a red dashed box. Below the navigation is the 'TARIFF FINDER' logo and the text 'Powered by MendelOnline'. A table of reports is displayed with the following columns: 'Origin', 'Destination', 'Product code', 'Date', and a download icon. The table contains two rows of data. The download icon in the second row is highlighted with a red dashed box. Below the table is the footer: 'Mendel Verlag | A service provided by Mendel Verlag GmbH & Co. Free Trade Agreements (FTAs)

Free Trade Agreements (FTAs) consist of three main areas:

Trade in Goods	Trade in Services	Investment
 Seeks to remove tariffs and address non-tariff measures.	 Deals with regulations to ensure market access and national treatment.	 Seeks to protect and promote investment.
READ MORE >	READ MORE >	READ MORE >

In keeping pace with an ever-changing global landscape, the scope of our FTAs is expanding to include more issues of interest to businesses, such as e-commerce, intellectual property rights, competition, government procurement and dispute settlement.

FTAs help to grow your export business by:

 Making your exports cheaper	 Giving you easier entry into your export market(s)	 Ensuring Business Stability
